Joker "hackers have infiltrated the control systems of some of Manhattan's most densely-populated neighborhoods in the US with precision point detonations and has created its own system of command. These explosive points of view ransacked homes and sent shock waves, giving the chemical a human face, as it turned boroughs against boroughs." The feedback he's been getting is that many of the poorest citizens believe that the media and the general public is ignoring the situation in order to give it less importance.
